Manuscript submissions to Anadolu University’s Journal of Tourism, Leisure and Hospitality (TOLEHO) are handled via an online journal management system called DergiPark, which is powered by The Scientific and Technological Research Council of Turkey (TUBITAK) – Turkish Academic Network and Information Center (ULAKBIM). You should register to system before making submissions.

First of all, you must log in to the system. If you have not registered yet, please check the registration steps.

After logging into the system, you should search the journal page from the Explore tab.
You can search the journal by typing Journal of Tourism, Leisure and Hospitality in the search bar.

You can access the journal page by clicking on the thumbnail.

When you access the journal page, press the Submit Article button.
Select Article Type

Search for subjects of the study. It is necessary to type first three characters of the word.

Write or paste the title

Write keywords by placing a comma between them.

Write or paste the abstract

Write or paste the references by placing an empty line between them.

After filling the mandatory fields, press the Next Step button.
Information of the author who makes the submission is entered automatically.

You can search for the co-authors by entering their e-mail address in the search bar. If they are not registered to system, you can add their details by Add Author button.

Please upload the Manuscript and the Title Page as separate files.

You can find the templates in Authors Guidelines.
You can add acknowledgements by filling the related field.

You can review your submission in this step.

Confirm the checklist before finalizing your submission.
